

To Our Community,

We are thrilled to share the exciting progress of our 2023/2024 Capital Campaign. Thanks to our community's extraordinary generosity and God's divine intervention, we have surpassed \$1,120,000 in total giving! Your unwavering support has been instrumental in achieving this remarkable milestone.

As you have seen in previous updates, we successfully met the \$500,000 Year-End Giving Challenge. Your dedication and commitment to our cause have made this possible, and we are deeply grateful for your continued support.

As we embark on the next phase of our journey, we have begun engaging professional services and advancing our plans through detailed drawings and site mapping. These efforts will provide us with invaluable insights into our progress and allow us to understand better the impact of your generosity, including gifts of service.

Now, as we continue through the first quarter of 2024, we'd like to give an update to the \$250,000 Matching Challenge. Every donation made during this period will be matched, doubling its impact and bringing us closer to our goals. We are delighted to announce that we have already received \$115,000 towards this challenge, thanks to the generosity of individuals in our community.

We invite you to consider joining us in this pivotal moment by contributing to the Borculo Christian School Capital Campaign. Your support will enable us to continue building a brighter future for our community and future generations. For more information, please visit our website or contact the school office.

Thank you for your steadfast prayers, dedication, and generosity.

God Bless,
Chris Sievers
